CAMDEN-WYOMING SEWER & WATER AUTHORITY

**FLOW TESTING  
OF FIRE SUPPRESSION SYSTEM**

**DATE:** Tuesday December 21, 2021 & Wednesday December 22, 2021

**LOCATION:** 40 EAST STREET  
(Reserve Apartments- behind Camden Wawa)

**TIME:** 8:00AM – 2:00PM

The Camden-Wyoming Sewer & Water Authority is advising residents regarding a Flow Test which is being performed by Bear Industries Inc. taking place within the apartment complex at 40 East Street behind the Camden Wawa.

This may result in temporary and harmless discoloration of the water and/or fluctuations in water pressure. Should this occur, running a cold water tap for a short period will help to restore your water to a normal color. To avoid possible discoloration of clothing, residents may consider not to launder during the time indicated above and for the next 24 hours after testing is complete.

We appreciate your understanding and apologize for any inconvenience caused during this time.

Contact the office at 302-697-6372 during regular business hours of 7:30 am – 4:00 pm; Monday through Friday, should you have any further questions.
