### Public Notice

Date: Wednesday, March 30, 2022  
Time: 8:00AM to 3:00PM  
Location: Intersection of Old North Road and Thornley Drive

Dear Camden-Wyoming Sewer & Water Customer,

On the date and time above, you may experience temporary water loss, and pressure to your water service.

We will be isolating water lines for a fire hydrant replacement within your area.

During and following the isolation process, you may experience temporary and harmless discoloration of your water. To avoid possible discoloration of light color clothing, residents may wish not to launder during this time and a period of at least 24 hours after.

If you should experience brown water, running your outside spigot (is ideal)- or you may run a **cold-water** faucet in the house, until the water runs clear.

We apologize for any inconvenience this may cause. Please contact our office at 302-697-6397 should you have any questions or concerns.

Respectfully,

*Camden-Wyoming Sewer & Water Authority*

Rain Date: Will be the following business day.
